

MASTER SYSTEM II

Virgin Mastertronic Guarantee Card and Registration Card

The Virgin Mastertronic Guarantee

The Sega Master System II and Peripherals are manufactured to very high standards but in the event of a fault developing within 30 days of purchase the faulty component will be replaced free of charge. After the initial period of 30 days and within the guarantee period of 12 months, the component will be repaired free of charge. If your Sega Master System II needs to be replaced or repaired please return it to the place of purchase if it is within the 12 months guarantee period. If it is outside the guarantee period, please contact H.C. ROWLAND & CO LTD, Technical Services Division, 59 High Path, Milton, London SW19 2JY, Tel: 081-543-9898.

NOTE

1. The provisions of this guarantee will be of no effect unless the attached card duly completed is received by Virgin Mastertronic within 14 days of purchase.
2. Save as is expressly stated herein Virgin Mastertronic and the dealers give no warranty as may be otherwise expressed or implied by statute or otherwise as to the merchantability or fitness for purpose of any Sega Master System II.
3. The provisions of this guarantee in no way operate so as to either reduce or diminish any statutory rights against either Virgin Mastertronic or the manufacturers.
4. The provisions of this guarantee only come in to effect provided that the Sega Master System II has been used as directed by the accompanying instructions and has not been interfered or tampered with in any way and there is not evidence of any undue force being applied to the Sega Master System II or any component part thereof.
